

Mishka Gupta

Internship

Profile

- Bringing a positive attitude and enthusiasm for mastering new technologies
- Dedicated to creating innovative and user-friendly interfaces
- Passionate about exceeding goals and achieving excellence in web development
- Strong analytical skills combined with adaptability to tackle complex challenges and drive innovation

Education

B.Tech in Computer Science and Engineering , Symbiosis Institute of Technology , Pune

August 2022 — May 2026

Projects:

- *Developed a Bakery Management System using Java Swing and MySQL*
 1. Designed intuitive GUI for seamless user interaction and implemented efficient inventory, order, and customer data management
 2. Created robust database schema, optimized SQL queries, and ensured data security and integrity
 3. Collaborated in a team to deliver a scalable solution for bakery operations

Technologies: Java, Java Swing, MySQL, NetBeans IDE

- *Developed a Travel Itinerary Generation System*
 1. Utilized HTML, CSS, and JavaScript for intuitive user interfaces
 2. Integrated OpenAI, Gemini, and Claude APIs for intelligent travel suggestions
 3. Created RESTful API endpoints for seamless client-server communication
 4. Integrated Razorpay API for secure payment processing
 5. Managed MySQL database for efficient data handling
 6. Led the full development lifecycle, ensuring seamless user experience and high performance
- *Developed a Gym Management System using Java Swing and MySQL*
 1. Implemented modules for managing trainers, programs, and members
 2. Enhanced user experience and operational efficiency
 3. Ensured secure data storage and retrieval with MySQL integration
